<b>Assignment Title</b>	Consultancy Services for undertaking Project Environmental and Social Closeout Audit for KCSAP
<b>Reference No.</b>	KE-MOALF-346531-CS-CQS

The Government of Kenya has received financing from the World Bank toward the cost of the Kenya Climate Smart Agriculture Project and intends to apply part of the proceeds for consulting services.

The consulting services ("**the Services**") include Consultancy Services **for undertaking Project Environmental and Social Closeout Audit for KCSAP**

#### The Assignment Objectives and Deliverables

The Government of Kenya is seeking for qualified and experienced consultant(s) to work with KCSAP team to carry out project environmental and social close out audit. The main objective of this assignment is to assess compliance status and document key lessons learnt from its implementation. In due course, the team will review key documents, meet with the Government officials, Financier, and a range of stakeholders to seek their views, undertake field trips, and prepare the Audit report.

The Kenya Climate Smart Agriculture Project now invites eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

#### Shortlisting criteria

- Been registered and operating for 5 years.
- Provide a copy of tax compliance certificate
- Proven similar experience with the World Bank funded projects in Environmental and Social Safeguard Policies & NEMA and Social Impact Assessment and Audit under NEMA or/and World Bank Environmental in the past 5 years.
- Must have done Social Impact Assessment on at least two (2) projects of similar nature and complexity within the last 5 years. Previous experience on Bank funded projects within Kenya will be an added advantage.
- Over 5 years of relevant work experience in community infrastructure projects
- At least 5 years of experience on environmental, health and safety (EHS) management and environmentally friendly design aspects of processing/Agricultural/water related infrastructure.

#### Key experts will not be evaluated at this stage.

Consultants may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

The attention of interested Consultants is drawn to paragraphs 1.9 of the World Bank's Guidelines: Selection and Employment of Consultants (under IBRD Loans and IDA Credits & Grants) by the World Bank Borrowers (of January 2011 and revised in July 2014 ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest.

A Consultant will be selected in accordance with the Consultants Qualification Selection (CQS) method set out in the World Bank's Guidelines: Selection and Employment of Consultants.
