**RE: SUMMARY PROJECT REPORT APPROVAL FOR THE PROPOSED INSTALLATION OF COTTON MICRO GINNERY PROJECT AT LAKE KENYATTA FARMERS MARKETING COOPERATIVE SOCIETY LTD PLOT L.R NO.: PLOT NO. P.U AT MPEKETONI TRADING CENTRE, LAMU WEST, LAMU COUNTY**

Reference is made to your Summary Project Report submitted to the Authority on 2022-06-21 on the above subject.

The National Environment Management Authority (NEMA) has reviewed the Summary Project Report of the above mentioned proposed project and in light of the provisions of the Environmental Management and Coordination Act, EMCA 1999 and pursuant to Section 5(b) of the Environmental (Impact Assessment and Audit) (Amendment) Regulations, 2019 the Authority has approved the proposed project with the following mandatory conditions.

**N E M A**  
COUNTY DIRECTOR OF  
ENVIRONMENT  
LAMU COUNTY

**JAMES KAMULA**

**FOR: DIRECTOR GENERAL**

#### **SUMMARY PROJECT REPORT APPROVAL CONDITIONS**

1. Ensure that the proposed activity is approved by the County Government of Lamu prior to commencement of works
2. Comply with the relevant principal laws, by-laws and guidelines issued for development of such a project within the jurisdiction of the Lamu County Government; Ministry of Lands, Housing and Urban Development; Ministry of Health; National Construction Authority; Directorate of Occupational Health and Safety Services and other relevant Authorities
3. Ensure that the excavated areas for construction materials are backfilled and restored to a state equivalent to the original state or improved
4. Ensure that all waste construction materials and debris is collected, re-used and where need be; disposed off in the right disposal site as per the Environmental Management and Coordination (Waste Management) Regulations, 2006
5. Ensure strict adherence to the provisions of Environmental Management and Coordination (Air Quality) Regulations, 2014
6. Ensure strict adherence to the provisions of Environmental Management and Coordination (Noise and Excessive Vibration Pollution Control) Regulations, 2009
7. Ensure strict adherence to the Occupational Safety and Health Act (OSHA), 2007
8. Ensure that construction workers are provided with adequate Personal Protection Equipment (PPE), sanitary facilities as well as adequate training on occupational safety and health
9. Ensure that construction activities are undertaken during the day (and not at night) between 0800 hrs and 1800 hrs; and on Saturday between 0800hrs to 1300hrs. No work shall be undertaken on Sundays; and that transportation of construction material to and from site is undertaken during weekdays and Saturdays only during the hours specified herein
10. Give emphasis to the control of dust, noise, vibration and occupational hazards
11. Give appropriate notification to the neighbours to limit the nuisance caused

The above conditions will ensure environmentally sustainable development and must be complied with.
